

HOUND PARISH COUNCIL COVID-19 Pandemic

LOCAL SUPPORT OPTIONS DURING COVID-19 PANDEMIC

As we are currently in a period of uncertainty with the current Covid-19 pandemic, we have been working closely with a number of local groups and organisations to try and ensure that everyone has some support, especially the vulnerable members of our parish.

It is incredibly heartening to see the local Facebook group that has sprung up which is showing the best of our community. Please do have a look if haven't seen it yet. Netley Abbey Community Corona virus Support Group. It has many examples of people offering to help and pull together to ensure that we get through this difficult period and it should always be remembered that as contagious as this virus is, so is kindness and generosity. If everybody just gives a little bit, we should hopefully all be okay and as a community, come out of this stronger.

However, we have been extremely worried about how we reach the most vulnerable members of our community and ensure that they are safe, have support and all they need and require, especially if in isolation (whether self imposed or due to illness). So, please find below the many fantastic local groups and organisations who have stepped forward to offer assistance:

- St Edwards church, the Annunciation church and Netley Christian Fellowship will be working with their congregations to ensure that support is provided to them, especially their more vulnerable members. You can contact each of them if you wish to by:

- Netley Christian Fellowship - Paul Oliver on [07909 956406](tel:07909956406) or dpauloliver@gmail.com, www.netleycf.org.uk

- If none of the above are able to assist you, please contact the Parish Office on [02380 453732](tel:02380453732) or clerk@houndparishcouncil.gov.uk and we try and assist you
